<p>VET'S NAME PRACTICE ADDRESS & PHONE NUMBER</p>	

IS THERE ANYTHING ELSE YOU WOULD LIKE US TO KNOW?

Please read the following carefully and sign below

Adoption fee is £250 this is not payment for the dog but put towards the cost of passport, vaccinations and transportation to the UK. This is non-refundable and is payable on the day of the adoption.

The need for insurance is essential as the rescue will not be held responsible for vet's bills.

If the potential owners want a dog to live outside, it can only be a dog that is already used to living outside.

We do not re-home dogs to be used for guarding, breeding or anything other than as a family pet.

We may not place in a family home where they will be left for longer than 4 hours a day at any one time. There may be exceptions to this depending upon the needs of the dog

We don't generally re-home in upstairs flats or where there is a communal garden or no secure area to ensure the dog's safety. There may be exceptions to this depending on the needs of the dog

The new owner must agree to have the dogs either neutered or spayed within 3 months.

New owners must also agree that we can keep in touch for the rest of the dog's life. A follow up visit will be arranged approximately 6 weeks after the adoption.

We follow recommended guidelines regarding rehoming adult dogs with children.

New owners are not allowed to re-home the dog themselves; the dog must come back to Sadies Stray Dog Rescue .

We have a **NO KILL POLICY** and in putting the dogs FIRST, as it should be, we endeavour to find the very best homes for every dog that comes through our Rescue.

If everything goes well at the Home Check and you are able to adopt a dog through our Rescue, you must be made aware that you cannot at any time part with that dog for any reason, unless he/she comes back to our Rescue.
